

## Saybrook and Randolph Road Construction Status

State D.O.T. Reconstruction Project; State Inspected/State Administered and State Funded for Construction and Inspection

Limits: Saybrook Road: Between Windy Hill Drive and Randolph Road/Bartholomew Road

Randolph Road: Between Saybrook Road and Coe Avenue/Route 9 NB Ramps

All utility work has been completed and all drainage has been installed on both Roads.

New Guiderail was installed on Randolph Road

Work is temporarily suspended for the winter shutdown period until April 2012

Work to be completed next year (Completion date projected to be Fall 2012):

- Full Depth Roadway Reconstruction on Both Roads
- Install Curbing
- Backfill topsoil and seed
- Driveway Apron Reconstruction
